

Investing for Success

SNAPSHOT REPORT

Under the Investing for Success Agreement for 2017,
Helidon State School received (finalised amount)

\$74 336

Our school initiatives are on track to meet or exceed our targets

- To maintain improvement in spelling results across the school, especially in the early years.
- To maintain the focus on reading comprehension in the lower grades and increase the level of support for students in middle to upper grades (especially Year 5) to develop and improve their reading skills.
- To continue the improvements in Writing results.
- To increase the number of students in the Upper Two Bands.
- To lift the level of engagement for Boys in the classroom. (Boys make up 90% of behaviour incidents at the school and 66% of these occur in the classroom setting)
- To provide quality and effective spelling programs across the school.
- To provide extra human resources necessary for learning support.
- To provide quality resources to support classroom Reading Programs.
- To continue with the Before and After School Tutoring Program.
- To continue the weekly Early Learners' Group
- To provide Professional Development and training for staff.
- To access the Department of Education Impact Program
